ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.
